

Healthy Longevity Global Grand Challenge

(accepting proposals from 2022/1/10-2/25)

Catalyst Awards will reward bold, new, potentially transformative ideas to improve the physical, mental, or social well-being for people as they age, and in a measurable and equitable way. Ideas could focus on any step in a lifespan, as long as it ultimately promotes health as people age. Facing the pandemics, additional emphases on disease prevention and management and response to pandemics are also included.
